

# **Gunnison Basin Wild and Scenic Stakeholder Group**

**Delta Performing Arts Center  
822 Grand Ave., Delta Colorado**

**November 8, 2010  
7:00 p.m. – 9:00 p.m.**

## **Agenda**

### **7:00 p.m. - Administrative**

- Familiarize the group and facilitators - Get everyone on the same page
  - Introductions – Name & Representation
  - Review what has been covered
- Agree on the roles of facilitators and other parties
- Set groundrules for participation and decision-making
- Agree on membership of the group
- Agree on how the group will decide final comments to BLM
- Present Draft Work Plan for input
- Agree upon what communication tools will be used
- Determine the financial support for the process

### **8:00 p.m. - Process**

- Verify the list of eligible segments.
- Present consolidated information chart answering questions from the last meeting
  - Chart will show primary classification and ORV, stream miles (federal and private), land ownership acres (public & private), in-stream flows, and other designations/protections already in place for each segment.
  - Information consolidated & summarized from BLM Eligibility Report
- Request additional input & detail from BLM and others to ensure all necessary information is provided
- Determine what additional information the group needs to make well informed decisions – to be presented at next session
- Next meeting date – set date one month ahead or more?
